### About Kelly

In addition to being a mom, business executive at a multi-billion dollar company, best selling author, and influencer, Kelly Resendez is a true leader in empowering women to live a life of abundance.

As a co-owner of *GoBundance Women*®, a membership organization for women dedicated to achieving greatness and abundance, Kelly is passionate about helping others adopt an abundance mindset and overcome self-sabotage to achieve their goals. She believes that joy and success go hand in hand, and has dedicated her life to helping women find both. Through her popular book *Big Voices* and her women-empowered network, Kelly shares her strategies and tools to inspire and empower women to think differently and achieve all they desire.
